5<sup>th</sup> November, 2023

Dear Parents

Greetings!

### Sub: **Ei ASSET Test for Grades 4 and 6**

We encourage our students to participate in competitive exams at national as well as international level to gauge their academic standard and aptitude. We are glad to inform you that our students of **grades 4 and 6** have been registered for the **Ei ASSET** test for this academic year 2023-24.

**ASSET** is a scientifically designed skill-based assessment that stands for **Assessment of Scholastic Skills through Educational Testing**. ASSET focuses on measuring how well **SKILLS** and **CONCEPTS** underlying the school syllabus have been understood by the students and their ability to apply the concepts to real-life situations. This test checks the depth of students' understanding of every topic in **Science, Mathematics and English** subjects.

#### **HOW DOES YOUR CHILD BENEFIT FROM TAKING ASSET?**

- After the ASSET test, your child will receive a personalised comprehensive view of his/her performance, along with detailed insights on his/her strengths and areas that need improvement through easy-to-understand reports.
- Your child will also get benchmarked with his/her/ peers across the country and internationally, to help them understand where they stand.
- Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practise at home. The tests will be conducted online, tentatively in the month of March. Dates relevant to your ward's grade will be informed closer to the date.

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. For more details, please visit <https://ei-ats.com/>.

To further support our students, **Practice Booklets** for English, Mathematics and Science subjects will be provided. Students and parents will agree and sign a **Learning Contract**, that would enable students to complete the Practice Booklets within the time frame mentioned therein. **Practice Booklets will be evaluated as a part of on-going assessment** and considered as **Project for English, Mathematics and Science**.

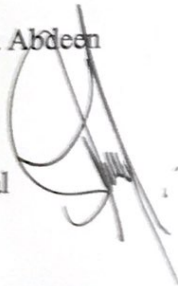

Students may visit [www.aqad.in](http://www.aqad.in) to sign up to receive their grade appropriate questions to familiarise themselves with the type of questions asked in ASSET.

We request you to encourage your child to participate in this external test that would expose them to high quality tests and help them embark on a learning journey thereon.

Warm regards

Seddiqa Abdeen

Principal

A handwritten signature in black ink, appearing to be 'Seddiqa Abdeen', written over a horizontal line. The signature is stylized with loops and a long vertical stroke.
