Greetings!

Dear Parents,

Our school will be celebrating World Food Day on 18<sup>th</sup> (Wednesday) October, 2023. Let's support our students by encouraging them to bring healthy food. We also teach our students value to share as "**sharing is caring**". Students can wear costumes of any healthy fruit or fruit or vegetables (not compulsory) and talk a sentence about its benefit. **The Best Costume and Best class** will be awarded. We appreciate your support and co-operation.

Note: Students will be have normal school day.

Thank you!
